

David has led the Montshire Museum from a fledgling enterprise to a nationally recognized center for science learning.

Under David's leadership Montshire Museum has developed their capacity for high-quality science education. He helped form the Montshire School Partnership Initiative that supports science education in the region's rural K-8 schools by building capacity and infrastructure for high-quality science programs. Montshire Museum has become a national model, attracting research and program support from numerous private foundations and federal agencies including the National Science Foundation (NSF), Department of Education (DOE), National Aeronautic and Space Administration (NASA), National Oceanic Atmospheric Administration (NOAA), and the National Institutes of Health (NIH).

As Montshire's executive director, David was instrumental in creating the partnership between Dartmouth College and the Montshire Museum, known as the Dartmouth-Montshire Institute for Science Education, a collaborative effort drawing upon the resources of these two leading institutions to better serve the educational needs of Vermont and New Hampshire. During David's tenure, Montshire became an official interpretive site for the Silvio O. Conte National Fish and Wildlife Refuge in 1995.

David's leadership extends beyond the Montshire Museum. He currently serves on the executive committee of the New England Museum Association and key committees of the Association of Science and Technology Centers. He serves as an evaluator for the Museum Assessment Program of the American Alliance of Museums. David has been recognized with the first annual New Hampshire Corporate Fund Award for Excellence in Nonprofit Management, and represented Montshire at a White House reception with President Clinton recognizing Montshire as the first recipient of the National Award for Museum Service.

Mr. Speaker, David has provided the Montshire Museum with many years of remarkable service and his lasting legacy is immediately clear to anyone who visits the museum. While we will miss his exemplary leadership, the Board of Trustees is fully committed to maintaining the high standards that he has established for the Montshire's educational programs, exhibits, facilities and visitor services.

IN RECOGNITION OF MAYOR

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, February 27, 2015

Mr. PALLONE. Mr. Speaker, I would like to congratulate the Honorable Michael B. Ryan on his retirement as Mayor of Lake Como, New Jersey. As a mayor, union member, and United States Army Veteran, Mayor Ryan embodies the American spirit and his contributions are truly deserving of this body's recognition.

Mayor Ryan has been an outstanding public servant and labor advocate for both New Jer-

sey and his home state of California. Mayor Ryan's introduction to labor and politics began in his native California, but he continued his efforts upon moving to New Jersey after marrying his wife, Marlene Brown. Mayor Ryan dedicated many years to leading his community as a council member, council president and mayor. Although retiring from elected office, Mayor Ryan remains active in local and state politics. For nearly 20 years, he has been Democratic Municipal Chairman of South Belmar and Lake Como. He has also been elected to the New Jersey State Democratic Committee and previously served as President of the South Belmar Democratic Club. Mayor Ryan is also committed to protecting labor rights, currently serving as Secretary Treasurer of the Monmouth and Ocean Counties Central Labor Council AFL-CIO and as a member of Teamsters-GCIU 612M.

In addition to his work in the public and labor sectors, Mayor Ryan is an Account Representative at Dimensional Management Corporation and is an active member of the community, volunteering at Camp Zehnder YMCA, serving as an usher at St. Rose Church and as a member of the Friendly Sons of the Shillelagh of the Jersey Shore and the Friendly Sons of St. Patrick.

Mr. Speaker, once again, please join me in congratulating Mayor Michael Ryan on his retirement. It is my hope that my colleagues will join me in thanking him for his leadership and service to the Borough of Lake Como.

DETECTIVE SERGEANT THOMAS
TROMMELEN

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, February 27, 2015

Mr. PASCRELL. Mr. Speaker, I rise today to recognize Detective Sergeant Thomas Trommelen who, after 30 years of service to the City of Paterson as Supervisor of the Paterson Police Department's Special Investigations Unit, is being honored for his retirement celebration tonight on Friday, February 27, 2015.

A native son of Paterson, Detective Sergeant Trommelen has devoted his career to serving the community that raised him, most notably serving as Detective Sergeant in the Special Investigations Unit.

A graduate of Paterson's Don Bosco Technical High School, Detective Sergeant Trommelen first pursued his passion for public service as an emergency medical technician for Paterson's Fire Department. After displaying exemplary valor serving those in critical need, Detective Sergeant Trommelen was appointed as a Patrolman for the Passaic County Park Police Department and then, on November 4, 1985, found his true calling as a Patrolman with the Paterson Police Department.

During his time as a Patrolman for the Paterson Police Department, Detective Sergeant Trommelen strived to uphold the department's mission, which is, "to preserve the peace and to protect and serve all who live or work in, as well as those who travel through,

our city and in so doing, make a meaningful contribution to the quality of life in our community." Detective Sergeant Trommelen's enthusiasm for public service and extraordinary work ethic in the Patrol Division prompted him to be assigned a permanent position to Paterson's Narcotics Division, a move that would greatly benefit the City of Paterson over the next three decades. Tasked with addressing the city's vice issues, Detective Sergeant Trommelen proved to be a formidable force within the department, receiving commendations, awards and respect amongst his colleagues and peers alike. He has also served at the Passaic County Prosecutor's Office as an 'Expert Witness' in the area of narcotics enforcement working with the DEA, FBI and other Federal Agencies in combating the plague of narcotics in and around the City of Paterson.

Residing in Clifton, Detective Sergeant Trommelen has been married to this wife Joann for 25 years and they have two adult children, Alyssa and Tommy. Detective Sergeant Trommelen and his family sustained a life changing event in December of 1997 when he lost his older brother John, a Port Authority Police Officer, to a heart attack. However, he took tragedy and turned it into a positive force through serving his community, the Knights of Columbus and St. Phillips the Apostle Parish, for many years. Just in the past few years, he has solicited the donation, managed the collection of and organized the distribution of thousands of jackets and pairs of shoes for Paterson's children.

As Co-Chair of the Congressional Law Enforcement Caucus, I am honored to acknowledge Detective Sergeant Trommelen who has been a tremendous leader, mentor, and public servant in my hometown of Paterson. There is no doubt, in the minds of his family, friends and colleagues that the civic minded Detective Sergeant Trommelen will continue to 'Serve & Protect' for many years to come.

The job of a United States Congressman involves much that is rewarding, yet nothing compares to recognizing and commemorating the achievements of individuals such as Detective Sergeant Thomas Trommelen.

Mr. Speaker, I ask that you join our colleagues, Sgt. Trommelen's coworkers, family and friends, all those whose lives he has touched, and me, in recognizing the career of Detective Sergeant Thomas Trommelen.

OUR UNCONSCIONABLE NATIONAL
DEBT

HON. MIKE COFFMAN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Friday, February 27, 2015

Mr. COFFMAN. Mr. Speaker, on January 20, 2009, the day President Obama took office, the national debt was \$10,626,877,048,913.08.

Today, it is \$18,133,356,358,144.49. We've added \$7,506,479,309,231.41 to our debt in 6 years. This is over \$7.5 trillion in debt our nation, our economy, and our children could have avoided with a balanced budget amendment.
